### *Tasting notes*

#### **Tangerine Mist**

Refreshingly light tasting and deliciously crisp, this vodka soda has zero grams of sugar or carbs, but is bursting with the natural fruit flavours of exotic tangerine and citrus.

#### **Key Lime Cherry**

One of the original flavour duos. Bursting with the flavours of juicy cherries and the freshest key lime, this vodka soda with zero grams of sugar or carbs is perfectly balanced with light fizz and a tart finish.

#### **Blackberry Lemon**

Packed with the punch of fresh blackberries and a taste of lemon, this lightly carbonated vodka soda has zero grams of sugar or carbs.
